Dedication

It is with sincere pleasure that we pay tribute to our janitor, Edgar Brooks, better known to us as Dick. Through his tireless efforts, loyalty, and spirit of service, he has made a place for himself in the hearts of every student of Attica High School. To him, we, the Crimson Staff of 1955 dedicate this book.

Seniors

Yes, we are the Seniors of Attica High School for 1955. We have finally ended our goal after twelve years of hard work.

In September we held our first class meeting and elected the following officers; President, Sam Huckleberry; V. Pres., Dick Kochell; Secretary, Violet Koekenberg; Treasurer, LaDonna Fretz.

We selected the motto: "The Ropes of the Past Ring the Bells of the Future". Our flower was the traditional American Beauty rose, and our colors were red and white.

On October 27 we enjoyed a wiener roast

followed by a treasure hunt and dancing at the home of Pat Trott.

The Seniors presented their play, "Finders Creepers" March 25 and 26, under the direction of Mrs. Myer.

We took a six day trip to Washington, D.C. which started on May 29. This trip shall always be one of the pleasant memories of our Senior year.

We want to thank our sponsors Mr. Sisk and Mrs. Myer for all the help and co-operation they have given us.

Juniors

The Juniors started the 1954-55 year with seventy-two members in the class.

In September the class elected the following officers to serve us this year: President, Bob Shepherd; Vice-President, Don Gooden; Secretary, Max Schwartz; Treasurer, Kay Welsh; Representatives on the Student Council are Ed Nelson and Ted Franklin. Mr. Daugherty and Mrs. Lear are our sponsors.

The pink carnation was chosen as our class flower and "Forward Ever, Backward Never" as our class motto.

One of the highlights of the year was our presentation of the junior play entitled "Hill-billy Weddin" under the direction of Mr.

Daugherty and Mrs. Lear.

To provide enough money for the spring social activities and to make a start for next year we made an all-out effort in the annual magazine sale. The class was divided into two teams.

Our class rings were ordered the first of November and we received them in December.

Two class parties were enjoyed during the year. Plans are being made for the Prom to be held in the spring.

The Junior Class wishes to thank Mr. Daugherty and Mrs. Lear who have helped make our Junior year a most successful one.

IN MEMORY OF PHIL MITCHELL

Between classes this morning on the third floor of the high school building, things seemed unusually quiet. Instead of the usual banter and laughter, there was subdued talk and seriousness. Around locker 275, a familiar face was missing; in the classrooms and study hall a seat occupied by a tall, red-haired boy was vacant. One first thought "Mitchell is absent today". Then you remembered, Phil will not be here, nor anywhere, again. Per-

haps for the first time in your life you realize how final is death.

"Phil was quiet," said one of his classmates. You hardly knew he was around. But in class today something was definitely missing. Phil's absence left a big void that will never again be filled.

"Mitch was as good a pal as I ever had," said another. "He always spoke easy. His quiet and gentle manner gained him a friendship that was felt by all.

Crimson

Staff

The Crimson Staff brings to you on the pages of the 1955 Crimson a picture of the school activities. We hope this yearbook will capture for you memories of the "high points" of the 1954-55 school year.

Besides preparing the annual, the staff sponsors the programs for all home athletic events, and sponsors the "Crimson Hop." The Hop is an annual event at which the Crimson Hop king and queen are

crowned. Selected by popular vote, the honors this year went to Kathy Hampton and Jeff Walter.

Again this year a snapshot contest was held to give all students an opportunity to contribute to the preparation of the yearbook. The winning snapshot, as well as many other entries, appear in the pages of this yearbook.

Chorus

The Mixed Chorus is composed of sophomores, juniors, and seniors who are chosen from those who take voice tryouts at the beginning of the year. Definite musical talent, good voice quality, and ability to carry harmony parts are requirements for membership. This year for the first time the Mixed Chorus has been placed in the high school curriculum as a regular class, meeting for a full period each school day. The work this year has included a study of voice technique with emphasis on development of correct

breathing, correct diction, correct jaw position, and correct production of tone.

The Chorus presents a fall concert and a spring concert in collaboration with the band, appears for several numbers on the Christmas program each year, participates in the district Choral festival, and enters chorus contest each year. This year the Attica Mixed Chorus was among the high school choruses selected to present a program for the music education students at Indiana University.
